

# What a Difference You've Made

**B.J. Thomas**

What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made in my life What a change you have made in my heart  
What a change you have made in my heart  
You replaced all the broken parts  
Oh, what a change you have made in my heart Love to me was just a word in a song  
That had been way overused  
But you gave love a meaning  
So I joined in the singing  
That's why I wanna spread the news What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
Oh, what a difference you've made  
(What a difference you've made)  
What a difference you've made in my life What a difference you've made in my life  
What a difference you've made in my life  
You're my sunshine day and night  
What a difference you've made (What a difference you've made in my life)  
What a difference you've made in my life  
(What a difference you've made in my life)  
Difference you've made in my life  
(You're my sunshine day and night)  
What a difference you've made (What a difference you've made in my life)  
Difference you've made in my life  
(What a difference you've made in my life)  
You're my sunshine day and night  
What a difference you've made (What a difference you've made in my life)  
You've made a difference in me  
(What a difference you've made in my life)  
You've made a change in my life  
(You're my sunshine day and night)
