

Burn Chile

Beth Hart

got a lot to learn chile
if you want to burn
seeking hearts concerns chile
if you want her chile
here's your fire, gonna fry her will you let me in
i will come again
screamed temptation got a lot to learn chile
seeking hearts concerns chile
if you want to burn
here's your fire
if you wanna hurt chile gonna fry her
will you let me in
i will come again
i will come again
got a lot to learn chile so many sold concerns chile
it's much too late to turn
if you want her chile
you're on fire, gonna fry her i will come again
will you let me in what'll you say
what'll you do, what'll you do
when she starts weeping
when she crows
walking by temptation cries i am thee and
i will be here again
i will come again
