Man's Temptation

Isaac Hayes

One more time to test the will power of me
These feelings that I hold now
Just won't let me be
This woman won't leave me alone
She's trying to ruin my happy home
With a man's temptationNow I've got another back home
Who's the beat of my heart
I never thought no one else
Could ever tear us apart
To each other we had been so true
Until alas come a love like you
With a man's temptationI know I've got to be strong
I've got to fight this all along
So afraid of what I must do
I got to take my woman or youNow, I've got a feeling telling me
To let your heart be your guide
I don't want to lose either one
Which makes it hard to decide
Though my mind continues to roam
Oh Baby, my heart it stays at home
Controlling my temptation
