

Forever in Love

[Nikki Flores](#)

I know you. You know me. And it doesn't get much better baby.
When i look in your eyes i know forever's where we're headed.
So take me hand and just say you do.
Cause they've never seen a love like me and you.
Baby all i wanna say is thank you cause you make me better. Better.
All i wanna do is be in love with you forever and ever.
Forever in love.
Forever in love. (I'm yours forever in).
Forever in love.
I'm yours forever in Til the end. Til we're gone. We'll show em happy ever after.
All we got is each other and a life of joy and laughter.
So take my hand and just say you do.
Cause they've never seen a love like me and you.
Baby all i wanna say is thank you cause you make me better. Better.
All i wanna do is be in love with you forever and ever.
Forever in love.
Forever in love. (I'm yours forever in).
Forever in love.
I'm yours forever in .
I'm yours forever in. .
Baby all i wanna say is thank you cause you make me better. Better.
All i wanna do is be in love with you forever and ever.
Forever in love. (I'm yours forever in).
Forever in love. (I'm yours forever in).
Forever in love.
Forever in love.
I'm yours forever in. .
Forever in love.
