

How It Was Supposed to Be

[Ryan Leslie](#)

Verse 1 :Fresh like the kiss of morning dew,
Thats how it felt,that day we meet, and i first layed eyes on you...yeah
Its like you walked right up out my fantasy,
and then you left that day, girl why did you abandone me...(maybe one day ull see)

Hook :And i wonder, if you'll ever find out, how it was supposed to beeeeeeeeeee.(baby)
Said i wonder, if you'll ever find out, how it was supposed to beeeeeeeeeee.(Baby)

verse 2 :Now when i think back too the days you were mine...
Or how i wish, i could flip a switch to turn back the hands of time...(oh Baby)
You were the one that made me real,
Now that your gone,tell me what in the world am i supposed to feel.
Without you here with me....

Hook :And i wonder, if you'll ever find out, how it was supposed to beeeeeeeeeee.(baby)
Said i wonder,said i wonder if you'll ever find out, how it was supposed to beeeeeeeeeee.(Baby)

Something tells me ive been wrong
all the love i felt that you shouldve given....
Never thought you'd leave me on my ownnnnn.....
Now i see that its over(and i hope one day you'll see)

Hook :And i wonder, if you'll ever find out, how it was supposed to beeeeeeeeeee.(baby)
Said i wonder,said i wonder if you'll ever find out, how it was supposed to beeeeeeeeeee.(Baby)
