

Mess Of You

[Kimberly Caldwell](#)

I'm so unsure, it drags me underground
Where not a sound is heard
Through this distance, this distance I have found
The days and weeks go by without a word Oh, oh, I'll make a mess of you
Oh, oh, the hell I put you through
Oh, oh, I'll make a mess of you
You can trust me, trust me Sometimes we fall into our desires
It leaves no room for anyone
Despite it all, it's how I'm wired
I get so close and then I come undone Oh, oh, I'll make a mess of you
Oh, oh, the hell I put you through
Oh, oh, I'll make a mess of you
You can trust me, trust me Oh, oh, I'll make a mess of you
Oh, oh, the hell I put you through
Oh, oh, I'll make a mess of you
You can trust me, trust me As the days get longer
You might start to wonder
How everything turns into one mistake
I'm one mistake after another Oh, oh, I'll make a mess of you
Oh, oh, the hell I put you through
Oh, oh, I'll make a mess of you
You can trust me, trust me Oh, oh, I'll make a mess of you
Oh, oh, the hell I put you through
Oh, oh, I'll make a mess of you
You can trust me, trust me Trust me
