So In Love With Two

[Mikaila](#)

Oh, number one
There could never be no one like you
How come
I feel this way aboutOh, number two
Never try to tell me what to say or do
I'm so in love with twoI don't want to push it,
I don't want to side
But this feeling keeps me up all night[Chorus]
If I only could decide
But I can't make up my mind
I'm breaking all my rules because of you
You can tell me it's not right
And it tears me up inside
But the problem is I'm so in love with twoHey yeah, hey yeah, hey yeah
I don't know what to do
Hey yeah, hey yeah, hey yeah
I choose the both of youOh, number one
You'll give me everything I need but the sun
Things still are better with...Oh, number two
He's the one that really makes me feel so good
I'm so in love with twoI don't want to push it,
I don't want to side
But this feeling keeps me up all night[Chorus]Problem is I'm so in love with twoHey yeah, hey yeah, hey yeah
I don't know what to do
Hey yeah, hey yeah, hey yeah
I choose the both of youDon't want to side another night
Just want to make it right
Come onOh, my number one
Oh, my number two
Oh somebody tell me what I'm supposed to do(My number one) My number one
(My number two) My number two
Won't somebody help me
I'm so in love with two(Background) Chorus:
If I only could decide
But I can't make up my mindI'm breaking all my rules because of youYou can tell me it's not right
And it tears me up insideBut the problem is I'm so in love with two[Chorus]If I only could decide
But I can't make up my mindI'm breaking all my rules because of youYou can tell me it's not right
And it tears me up insideBut the problem is I'm so in love with twoHey yeah, hey yeah, hey yeah

I choose the both of you
