

Show Me What I'm Looking For

Carolina Liar

Wait, I'm wrong
Should have done better than this
Please, I'll be strong
I'm finding it hard to resist
So show me what I'm looking for Save me, I'm lost
Oh lord, I've been waiting for you
I'll pay any cost
Save me from being confused
Show me what I'm looking for
Show me what I'm looking for, oh lord Don't let go
I've wanted this far too long
Mistakes become regrets
I've learned to love abuse
Please show me what I'm looking for Save me, I'm lost
Oh lord, I've been waiting for you
I'll pay any cost
Save me from being confused
Show me what I'm looking for
Show me what I'm looking for, oh lord Show me what I'm looking for
Show me what I'm looking for
Show me what I'm looking for Save me, I'm lost
Oh lord, I've been waiting for you
I'll pay any cost
Just save me from being confused
Wait, I'm wrong
I can't do better than this
I'll pay any cost
Save me from being confused
Show me what I'm looking for
Show me what I'm looking for
Show me what I'm looking for
Show me what I'm looking for, oh lord
