

Kill Screen

The Company Band

Empty coliseum
Yet one remains
Haunted by the faces
He failed to save
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion
Kill Screen

The enemy arrives
Uncertain future
Straightening his tie
To hide the sutures
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion

The fatal blow is struck
Nemesis defeated
Its black cloud poking down
Tiny silver pieces
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion

Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion
Kill Screen

Slayer of machine
Breaker of men
Will be eternal champion
Kill Screen
