

Left Outside Alone, Pt. 2

Anastacia

Left broken empty in despair
Wanna breath can't find air
Thought you were sent from up above
But you and me never had love
So much more to say
Help me find a way And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone I tell you
All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay
I don't feel safe Why do you play me like a game?
Always someone else to blame
Careless, helpless little man
Someday you might understand
There's so much more to say
Oh help me find a way And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay
I don't feel safe And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels

To be left outside alone
Alone I tell you
All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay
I don't feel safe
I need to pray
Pray
