

# Lost My Teeth

## The Zambonis

Lost my teeth when I blocked that shot,  
Lost my teeth when I ate that puck.  
Lost my teeth when I blocked that shot,  
Lost my teeth when I ate that puck.

See that blood all over the ice,  
Stanley Cup was worth the price.  
NHL says we're the best.  
Other team is really pissed,  
Now they're going to loose that cup,  
All because I blocked that shot.  
Dentist said,  
"Welcome back.  
We'll make you a brand new set."

Lost my teeth when I blocked that shot,  
Lost my teeth when I ate that puck.  
Lost my teeth when I blocked that shot,  
Lost my teeth when I ate that puck.

See that blood all over the ice,  
Stanley Cup was worth the price.  
NHL says we're the best.  
Other team is really pissed,  
Now they're going to loose that cup,  
All because I blocked that shot.  
Dentist said,  
"Welcome back.  
We'll make you a brand new set."

It was worth it.
