

Walk On Water

Ira Losco

AHH

AHHI've been fading into grey

Trying to be someone

Trying to please someoneI've been painting bitter blue

Always hitting walls

Always trying to break the fallI'm not perfect

But I'm A ok

Chasing off the clouds

I lock the blues away

I lock the pain awayI can't get enough of your love

I can't get you out of my heart

I can't get enough of your love

'Cause i-i-i-IFeel like I can walk on water

On water, On water

And now i'm gonna walk on

water, On water, On water

Feels like I can walk on waterI've been trying hard to hear
what my heart wants to say

Letting it lead the wayI'm not perfect

But I'm A ok

Chasing off the clouds

I lock the blues away

I lock the pain awayI can't get enough of your love

I can't get you out of my heart

I can't get enough of your love

'Cause i-i-i-IFeel like I can walk on water

On water , On water

And now i'm gonna walk onOoh ooh ooh

All I wanna do is

Ooh ooh ooh

Keep walking on water

Ooh ooh ooh

All I wanna do is

Walk on waterOohI can't get enough of your love

'Cause i- i-i-IFeel like I can walk on water

On water, On water

And now i'm gonna walk on

water On water on water

Feel like I can walk on water
