Splashh

Keep your secrets close, but I'm closer than you know
I've got nothing to hide
You'll find me, I'm always waiting for you
There's nothing to proveTake a walk outside
Take a walk with me, baby, and you'll see you're not on your ownI can see through you
Baby
The eyes that I see through
Baby, you're not on your own
I can see through you
Baby, you're not on your...
The eyes that I see through
Baby, you're not on your own
I've got nothing to say
You're not gonna' change
There's nothing that I can do to stop you
I'v egot something to sayTake a walk outside
Take a walk with me, baby, I can't see you smile anymore
I can see through you
Baby you're not...
The eyes that I see through
Baby, you're not on your own
I can see through you
Baby
The eyes that I see through
Baby, you're not on your own
