Rush of Fools

I've been here before
Now, here I am again
Standing at the door
Praying You'll let me back in

To label me
A prodigal would be
Only scratching the surface
Of who I've been known to be

Turn me around, pick me up
Undo what I've become
Bring me back to the place
Of forgiveness and grace
I need You, I need Your help
I can't do this myself
You're the only one
Who can undo what I've become

I focused on the score
But I could never win
Trying to ignore
A life of hiding my sin

To label me
A hypocrite would be
Only scratching the surface
Of who I've been known to be

Turn me around, pick me up
Undo what I've become
Bring me back to the place
Of forgiveness and grace
I need You, I need Your help
I can't do this myself
You're the only one
Who can undo what I've become

Make every step lead me back to

The sovereign way that You

Turn me around, pick me up

Undo what I've become

Bring me back to the place

Of forgiveness and grace

I need You, I need Your help

I can't do this myself

You're the only one who can undo

You are the only one who can undo

You're the only one who can undo

What I've become
