

Strike It Up (Iccarus Remix)

[Ftampa](#)

Strike it up, this band is gonna play my tune
Strike it up, I wanna, I wanna tell you so
Strike it up, nobody's gonna stop my sound
Strike it up, you know how lonely one can feel Strike It Up
You know how lonely one can feel Waiting on my feelings, yeah, yeah
Waiting on my feelings, feelings
Waiting on my feelings, yeah, yeah
Waiting on my feelings, feelings Strike it up, this band is gonna play my tune
Strike it up, I wanna, I wanna tell you so
Strike it up, nobody's gonna stop my sound
Strike it up, you know how lonely one can feel Strike It Up
You know how lonely one can feel Waiting on my feelings, yeah, yeah
Waiting on my feelings, feelings
Waiting on my feelings, yeah, yeah
Waiting on my feelings, feelings Strike It Up
