Push Another Button

The Baseballs

This box contains some rhythm
Baby, are you listening
Pull this little ribbon
Let me give you a handRip this fancy paper
Something's waiting for ya
A custom made production
Baby, here I amGirl, how you use me
It's making me woozy
Hold on just a minute while you canUh... Don't push another button
Uh... Don't flip another switch
Uh... A system malfunction
Uh... Gal, you're crackin' me like this
I'll be your fruit machine
But baby, don't be mean
Push the buttons carefullyPlay me like a Walkman
I'm not made for talking
There's some hidden functions just for you to get stockedAlways at your service
Girl, you make me nervous
You are so ambitious, I'm on overloadGirl, how you use me
It's making me woozy
Hold on just a minute, take it slowUh... Don't push another button...I'll be your fruit machine...I'll be your fruit machine...
Push the button carefully
Push the button just for me
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, ohUh... Don't push another button...
Uh... Don't push another button...
Uh... Don't push another button...
