Party

Nancarrow

Written by Graham Nancarrow

I saw you last night at the party
It didn't end the way I wished
I woulda took you home
Now you ain't here & I'm all alone

I saw you last night at the party
Don't remember much of it
just know I was alone
I lost my keys
I got too stoned

I've had enough
The goin's gettin' tough

If I were to quit would you love me?
Or would you just get sick of me
and walk right out my door?
Disappear from my life
See you no more

I wonder are you thinkin' of me?
Or is this all a waste of time
and should I turn my head?
"Yes it is"
That's what you said

I've had enough
The goin's gettin' tough

and I've had enough
The goin's gettin' tough
It's not like before
Don't wanna do it anymore
