

Woop-t-woo

Olivia

I'm sick and tired of you coming home late
I look across the table, all I see is a cold plate
You don't know how it feels, sleepin' under cold sheet
While you're out runnin' the streets, I'm crying myself to sleep, no

I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?

Let me know 'cause I'm through
I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?

Let me know 'cause I'm through
Now I don't wanna hear about
How you say shit is gonna change
See maybe for a day or two

Then it's back to the same old you
You'd rather be with Bob, Rob and Dave
On the corner, shooting dice game
See baby, I gotta know

If that's the way it's gonna be, then hell no
I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?

Let me know 'cause I'm through
I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?

Let me know 'cause I'm through
Every day all I feel is pain
And when we make love it'll feel the same
You don't give a damn about the way I feel

So let me know the deal
'Cause boy I'm tired of missing you
All my lonely days are through, ooh baby
Baby when you think of me, oh oh
You'll see what you lost
I'm sick of your woop-t-woo
Ain't taking no shit from you

Is it me or your crew?
Let me know 'cause I'm through
I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?
Let me know 'cause I'm through
I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?
Let me know 'cause I'm through
I'm sick of your woop-t-woo
(Don't come back home, I changed the locks)
Ain't taking no shit from you
(I put your stuff outside in a box)
Is it me or your crew?
(Your shirt, your jeans, your Tims, damn)
Let me know 'cause I'm through
(I don't want you no mo')
I'm sick of your woop-t-woo
Ain't taking no shit from you
Is it me or your crew?
Let me know 'cause I'm through
