

Gunshy

Read Southall

Youâ€™re a lot of fun youâ€™re young and
Good lookinâ€™ too
And I donâ€™t mind waking up next to you
Weâ€™ve been running around
The past few weeks
Till you stopped me one night and said to me
Where are we and where's this goin?
Well I rolled over and said I donâ€™t know
Why we gotta put a label on somethinâ€™
Well she got up and walked out my door

Sorry Darlinâ€™ if Iâ€™ve been a little gunshy
There ain't nothing wrong with you
It just scares me to death laying by your side
After what the last one put me through
Youâ€™d be gunshy too

Now youâ€™re mad as hell
Got the half ton wound tight
Already decided youâ€™re drinking tonight
Donâ€™t really feel like this is all on me
Well I told you the truth and I set you free

Sorry Darlinâ€™ if Iâ€™ve been a little gunshy
There ain't nothing wrong with you
It just scares me to death laying by your side
After what the last one put me through
Youâ€™d be gunshy too

I'm not saying it won't eventually work out
I'm just saying not right now

Sorry Darlinâ€™ if Iâ€™ve been a little gunshy
There ain't nothing wrong with you
It just scares me to death laying by your side
After what the last one put me through
Youâ€™d be gunshy too
