

I See Your Smile

[Gloria Estefan](#)

I get a little tongue twisted
Every time I talk to you when I see you
And I'm so glad that you just missed it
The way I stared to memorize your face To kiss you in my mind
Love you all the time 'Cause when I close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour Please believe it's true
When I tell you I love you I've taken too many chances
Searching for the truth in love that's in my heart
Tell me if I made the wrong advances
Tell me if I've made you feel ashamed 'Cause I know I have to do this
Would you hold my hand right through it? 'Cause when I close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour Please believe it's true
When I tell you I love you I had to let you know just what would happen
Yes I had to let you know the truth
I know I've got to do this
Would you hold my hand right through it? Would you? 'Cause when I close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour 'Cause when I close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour You know now this is true
When I tell you I love you
