## Aces High

There goes the siren that warns of the air raid  
Then comes the sound of the guns sending flak  
Out for the scramble we've got to get airborne  
Got to get up for the coming attackJump in the cockpit and start up the engine  
Remove all the wheel blocks there's no time to waste  
Gathering speed as we head down the runway  
Gotta get airborne before it's too lateRunning, scrambling, flying  
Rolling, turning, diving, going in again  
Running, scrambling, flying  
Rolling, turning, diving  
Run, live to fly, fly to live, do or die  
Won't you run? Live to fly, fly to live  
Aces highMove into fire at the mainstream of bombers  
Let off a sharp burst and then turn away  
Roll over, spin round and come in behind them  
Move to their blindsides and firing againBandits at eight o'clock move in behind us  
Ten M E one o nines out of the sun  
Ascending and turning our Spifires to face them  
Heading straight for them I press down my gunsRolling, turning, diving  
Rolling, turning, diving, going in again  
Rolling, turning, diving  
Rolling, turning, diving  
Run, live to fly, fly to live, do or die  
Won't you run? Live to fly, fly to live  
Aces high
