Does My Ring Hurt Your Finger

Charley Pride

Does my ring hurt your finger when you go out at night
When I bought it for you darling it seemed to be just right
Should I take it to the jeweler so it won't fit so tight
Does my ring hurt your finger when you go out at nightDid you enjoy yourself last night dear how was the show
You know that I don't mind it when you go
I understand sometimes we all need time alone
But why do you always leave your ring at homeDoes my ring hurt your finger when you're away from me
I'm so proud when you wear it for all the world to see
Should I take it to the jeweler so it won't fit so tight
Does my ring hurt your finger when you go out at night
Does my ring hurt your finger when you go out at night
