

# Shotgun (feat. Rochelle) [Lookas Remix]

## Yellow Claw

If I'm stressing you out, why don't you go  
You're wasting your time with your lies so  
You've been breaking me down, now it's enough  
'Cause you'll do it again and again oh  
I hope that you'll be gone soon I can't take no more oh no I will never fall for your lies again, oh whoa  
I will never fall for your lies again oh whoa oh  
You shot me right in de face wit' a shotgun  
You shot me right in de face wit' a shotgun  
You shot me right in de  
You shot me right in de  
You shot me right in de (Face with a shotgun) Yellow motherfucking claw Who do they want? Telling all these  
stories  
I'm telling you, it's really getting boring  
Who do they want? Sharing all these love seats  
I'm the real deal, baby girl believe me I'm letting you down I'm letting you out  
I'm wiping your dirt off my soul  
You're talking a lot but you're pissing me off  
What you try to say doesn't matter no more  
I hope that you'll be gone soon I can't take no more no I will never fall for your lies again, oh whoa  
I will never fall for your lies again, oh whoa oh  
You shot me right in de face wit' a shotgun  
You shot me right in de face wit' a shotgun  
You shot me right in de  
You shot me right in de  
You shot me right in de (Face with a shotgun) (Face with a shotgun) (Face with a shotgun)
