Futurism

Olspur

Ignorance pulls
Apostasy and apathy still rules
Yeah, you know it's cool just suck and see
A future turn us into silent Gods
And I won't miss you at all
Grounded, boxed in
Like the evil in your veins
Grounded, boxed in
I am stuck with you
Fate can't decide
Alignment of the planets in your hands

Come on crush our plans just suck and see
A future that won't let you disagree
And I won't miss you at all
Grounded, boxed in
Like the evil in your veins
Grounded, boxed in
I am stuck with you
Feel it, hear it, apathy
See it, be it, you'll see
