

Merciful King

Robbie Seay Band

Our creator, our redeemer
Our maker and merciful king
Our creator, our redeemer
Our maker and merciful king Who is like you, O, God?
Who is like you, O, God? Merciful king
You are enough
Merciful king
You are my love Restore my soul
You are enough
Redeeming creator
Save us, O, maker Merciful king
Where oceans are shores
You are my love
Where skies become ground You are my love
Where souls are restored
And mercy is born
You are my love, you are my love
