Little Soldier

Spencer Day

Hello, a telephone tells me that it won't be long now
Goodbye don't you cry cuz I need you to be strong now
Soon they're coming give the orders
I hope we'll led across the borderLove lay your head on my weary shoulder
I can hear those battle drums
Love say a prayer for your little soldier
If tomorrow never comesNo, no I hope I got to go, got to hurry cuz time is a wasting
So long please carry on pretending like nothing is changing
I try and pull myself together
I'll be with you so please rememberLove lay your head on my weary shoulder
I can hear those battle drums
Love say a prayer for your little soldier
If tomorrow never comesI'm going away, I'm going away, I'm going away
And it won't be long
I'm already gone, I'm facing a great unknown on my own
Here I go, hold me closer til this is overThen come lay your head on my weary shoulder
I can hear those battle drums
Love say a prayer for your little soldier
If tomorrow never come, no
If tomorrow never comeLay your head on my weary shoulder
I can hear the battered drums
Love say a prayer for your little soldier
If tomorrow never some
