You Make Me Feel Good

J.K.

You make me feel good
Like I'll never be
You make me feel good
It's allright
You make me feel good
You're my medecine
You make me feel good
It's allrightIt's up to you, cause I love you so much
But I only have got I'm gonna lose your touch
I'm calling you, I'm savin you
I'm giving you all my love
I may be blind but I need you Baby
So make up your mind you make me going crazy
I'm calling you, I'm giving you
Giving you all my loveIt's up to you, cause I love you so much
But I only have got, I'm gonna lose your touch
I'm calling you, I'm certain you
I'm giving you all my love
I may be blind but I need you Baby
So make up your mind don't make me going crazy
I'm calling you, I'm giving you
Giving you all my love
