

Hang on to Your Ego

Frank Black

I know so many people
Who think they can do it alone
They isolate their heads
And stay in their safety zones
Now what can you tell them
What can you say that
Won't make them defensive?
Hang on to your ego
Hang on, but I know that
You're gonna lose the fight
They come on like their peaceful
But inside they're so uptight
They trip through the day
And waste all their thoughts at night
Now how can I say it

And how can I come on
When I know I'm guilty?
Hang on to your ego
Hang on, but I know that
You're gonna lose the fight
A dooby dooby doo
Now how can I say it
And how can I come on
When I know I'm guilty
Hang on to your ego
Hang on, but I know that
You're gonna lose the fight
A dooby dooby doo
