

# Who Do I Kill?

## Hater

Who do I kill  
Who gotta get it  
Who do I kill All those bad things come naturally  
All those glad things go down happily  
There's only so many roads you can go  
It's either you or me  
But I wanna know Who do I kill  
Who gotta get it  
Who do I kill  
Already see you got it in for me  
It's already to point blank, it's plain to see  
You got a trigger finger on your soul  
It's not a bad thing  
But I wanna know Who do I kill  
Who gotta get it  
Who do I kill The list gets longer every day  
It grows with the smile on my face  
There's only some throats you can hold  
It's either you or me  
But I wanna know Who do I kill  
Who gotta get it  
Who do I kill Call the police  
There's only so many throats you can hold  
It's either you or me  
But I wanna know  
Who do I kill
