

# shot down

## U.S. Bombs

i bought a pistol and i'm gonna use it  
(one shot, two shot down)  
i got marshal law, it's in my hand  
(one shot, two shot down)  
two mother fuckers are gonna die  
you went behind  
my back for what was mine  
(one shot, two shot down)  
the guilt was dripping down her legs  
(one shot, two shot down)  
and you're gonna die for a dead lie  
(one shot, two shot down)  
a smelly cunt, pathetic prick  
a fare for the carnival  
two midgets are fucking slime  
(one shot, two shot down)  
your face is gone, it's all blown up  
(one shot, two shot down)one shot, two shotsbodies laying in the mud  
i shot you down  
you cheat on me, you make me mad  
i shot you down  
gave you both all my love  
i shot you down  
now you're dead in public  
i shot you downi shot you down (one shot, two shot down)  
i shot you down (one shot, two shot down)  
i shot you down (one shot, two shot down)  
(one shot, two shot...)
