Little Love Letter #2

Carlene Carter

Boom, aah
Boom, aah
Boom, aah
Boom, aahYou used to love me a lot
(Boom, aah)
You said that I was the best
(Boom, aah)
Although you didn't agree
(Boom, aah)
With the way that I dressed
(Boom, aah, boom, aah)(Boom, aah)
We were the business
(Boom, aah)
Oh what a team
(Boom, aah)
Now our hillbilly heaven's
(Boom, aah)
Turned into a bad, bad dream
(Boom, aah, boom, aah)Is it somethin' you drank
(Boom, aah)
Is it somethin' you ate
(Boom, aah)
Did I somehow rain on your hit parade
(Boom, aah, boom, aah)
I can't please you, no there ain't no way
(Boom, aah, boom, aah)
I'm gonna wash my hands of you
(Boom, aah, boom, aah)
