

# Sail On

## Destiny's Child

Sail on down the line, but  
I have some money so, and I  
Don't really wanna know  
Where you're going  
Maybe once or twice, you see  
Time after time, I tried, tried to  
Hold on to what we've got  
But uh, now you're going And I don't mind  
About the things your going to say boy  
I gave all my money and my time  
I know, I know it's a shame  
But I'm giving you back your name  
Guess I'll be on my way  
I wont be back to stay  
I guess I'll move along  
I'm looking for a good time Sail on down the line, ain't it  
Funny how the time can go, all my  
Friends say they told me so, but it  
Doesn't matter  
It was plain to see, that a  
Small town girl like me just  
Wasn't your cup of tea  
I was wishful thinking I gave you my heart  
And I tried to make you happy  
And you gave me nothing in return  
You know, it ain't so hard to say  
Would you please just go away yeah yeah  
I'm throwin' away the blues  
I'm tired of being used  
I want everyone to know,  
I'm looking for a good time, good time (Sail on) sail on  
(Honey) honey  
Good times have never felt so good (never never never felt so good)  
(Sail on) sail on oh  
(Honey) honey honey honey  
Good times never felt so good  
Never ever never never never never never felt so good  
Sail on (never never never never felt so good)  
Sugar

Good times have never felt so good (good times never felt so good)Sail on (oh)

Honey (oh yeah)

Good times never felt so good (oh)

Sail on (sail on on sail on sail on)

Honey (sail on on sail on sail on)
