

Cancer (TBPID)

My Chemical Romance

Turn away
If you could get me a drink
Of water 'cause my lips are chapped and faded
Call my aunt Marie Help her gather all my things
And bury me
In all my favorite colors
My sisters and my brothers, still I will not kiss you
'Cause the hardest part of this
Is leaving you Now turn away
'Cause I'm awful just to see
'Cause all my hair's abandoned all my body
All my agony
Know that I will never marry
Baby I'm just soggy from the chemo
But counting down the days to go It just ain't living
And I just hope you know
That if you say (if you say) Good-bye today (good-bye today)
I'd ask you to be true (I'd ask you to be true) 'Cause the hardest part of this
Is leaving you 'Cause the hardest part of this
Is leaving you
