

Raspberry Swirl (Lip Gloss Version)

[Tori Amos](#)

Let's go I am not your Senorita
I am not from your tribe
In the garden, in the garden I did no crime I am not your Senorita
I am not from your tribe
If you want inside of her, well
Boy you better make her a raspberry swirl Things are getting de-desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Things are getting de-desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Let's go I am not your Senorita
I don't aim so high
In my heart, in my heart I did no crime
If you want inside her, well
Boy you better make her a raspberry swirl Raspberry swirl
Let's go
Raspberry swirl Things are getting de-desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Things are getting de-desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Things are getting de-desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Raspberry swirl
Let's go
Raspberry swirl
