

Angeles

Enya

Angels, answer me,
Are you near if rain should fall?
Am I to believe
You will rise to calm the storm?
For so great a treasure words will never do.
Surely, if this is,
Promises are mine to give you.
Mine to give

Here, all too soon the day!
Wish the moon to fall and alter tomorrow.
I should know
Heaven has her way
Each one given memories to own.

Angels, all could be
Should you move both earth and sea
Angels, I could feel
All those dark clouds disappearing

Even, as I breathe
Comes an angel to their keep.
Surely, if this is
Promises are mine to give you.
Mine to give
