Save

The Rocket Summer

I'm not feelin touch I'm not makin that much And I guess I am blessed

But sometimes its just hard to see it as suchI'm stuck here alone in the traffic lines

While couples in love in the HOV fly by

I don't get it, I'm not askin for much

But everybody wants to just have somethinSo I'll be pickin me up, breakin me down

I was lost, was I found?

I wanna feel everything

When everything feels wrong with meTake a look, embrace myself

Everybody wants to make it count

Save me, cause I can never float sinkin

Amaze me and I would be there holdin on for lifeSit in there and gas it in, time to strap apartment

The walls are blank, its like they're talkin' to me

I put a picture on the wall, I took a chance, I took a fall

She took up fast and gracefully, yes, I was blind and now I seeAnd I was pickin me up, breakin me down

I was lost, was I found?

I wanna feel everything

When everything feels wrong with meTake a look, embrace myself

Everybody wants to make it count

Save me, cause I can never float sinkin

Amaze me and I would be there holdin on for lifeAnd I could tell, from the picture I could feel

I was sinkin, throw me out, bring me back to life

The colors that my eyes had never seen

Well, I can see it nowSave me, cause I can never float sinkin

Amaze me and I would be there holdin on for life

Save me, cause I can never float sinkin

Amaze me and I would be there holdin on for lifeSo save me, save

Save me, save me
