

Out In the Cold

The Business

out in the cold she fell
her eyes drawn and her face pale
she lost her life with that one mistake
now she's sentenced to stay on her own
oh she was oh so clever oh so smart
now her life's been taken away
she's left forever in the dark
she woke up one morning
as the dark was dawning
only to be confronted by death
she went with a man she didn't plan
for him to attack and rape
