

# Black Magic

Jarvis Cocker

I woke up in the morning  
And all the bells were ringing  
My eyes could see the glory, baby Could hear the song they're singing  
You only get to see the light  
Just one time in your life oh, black magic That blows your mind away  
And takes you somewhere that you wanna stay  
You only get to stay one day, oh, that cold black magic Is there anything more wretched  
Than to just have caught one sight?  
The eyes that saw the glory have been, have been blinded by the light And it's the true believers that crash and  
burn  
But there ain't no way I'm ever gonna learn  
Black magic That blows your mind away  
And takes you somewhere that you wanna stay  
Oh, you only get to stay one day, oh, that cold black magic We can't escape, we're born to die, but I'm gonna  
give it a real good try  
Because nothing comes close and nothing can compare  
To black magic yeah, yeah, yeah Black magic  
Yeah, yeah, yeah  
Black magic  
Yeah, yeah, yeah Black magic  
Yeah, yeah, yeah  
Black magic  
Yeah, yeah, yeah Black magic  
Yeah, yeah, yeah  
Black magic  
Yeah, yeah, yeah...
