

God of My Life

Jonah33

Come and bow right now
At the feet of Jesus
Come throw your crowns
At the feet of Jesus In strength and weakness, I trust in You
In joy and suffering, I delight in You
Nothing can separate me from Your love
For Your love is faithful throughout eternity You are the God of my life
And my song, forever
You are the God of my life
And my song, forever
God of my life Come and be filled with life
At the feet of Jesus
Leave all cares behind
At the feet of Jesus In strength and weakness, I trust in You
In joy and suffering, I delight in You You are the God of my life
And my song, forever
You are the God of my life
And my song, forever All creation waits
For the revealing of Your glory
All the sons of God
Rise in victory, rise with healing I was sinking, till I found You
I will seek You, till I find You (You are the God of my life)
I will seek You, till I find You
(You are the God of my life)
I will seek You, till I find You
I will seek You, till I find You You are the God of my life
And my song, forever
You are the God of my life
And my song, forever In strength and weakness, I trust in You
In joy and suffering, I delight in You You are the God of my life
And my song, forever
You are the God of my life
And my song, forever You are the God of my life
