

Nowhere To Run

Kiss

Don't know what's been goin' on in your head, no
When you knew that his love was through
You closed your eyes instead
I was there with a shoulder to lean on
It's not gonna happen twice
If you go I just want you to know, it's alright
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Did you think it would open up in the night, yeah?
Just pretend I'm only a friend and disappear from sight
One day you're gonna be lonely, wishin' I was by your side
And one day you'll think of me only
But girl, you gotta take the ride
Well too bad, now that the damage is done
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Little girl, gonna make your bed in the night, yeah
Now you say, "You're goin' away"
But I will keep your heart
And you will cry when you realize you were wrong
Run on, run on
Nowhere to run, nowhere to hide
Nowhere to run, no
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
