Ankle Deep

Tom Petty

Well, they raised that horse to be a jumper
He was owned by a mid-west bible thumper
His preacher was a Louisiana drummer
Took all winter to get through the summerThe fieldhand hit the switch and stumbled
Outside the big engine roared and rumbled
The stolen horse spooked and tumbled
She didn't speak for a week, just kinda mumbledAnkle deep in love
Ankle deep in loveAnkle deep in love
Ankle deep in loveHe was caught up in a lie he half believed
Found her hiding high in the family tree
Washed his hands and put across his knee
She said, Daddy you been a mother to me"Ankle deep in love
Ankle deep in love
Ankle deep in love
Ankle deep in love
