

# We Don't Give A

## NAO

Just to hear your name

Weak in my knees, turn my world upside down

It makes me wonder

Do you feel the same thing?

Are we allowed?

We all got jungle fever

No law of attraction holding us down

Won't have to fight it

Whatever they say won't affect me nowNo matter what they think, I'm all for you

When I'm by your side, just walk on through

I think that we should tell them (just tell them)

We don't give aDid the world come to an end?

Did we turn it upside down?

Stuff is spinning 'round

It makes me wonder

How cruel, I chose to laugh, let you walk somehow

We all got jungle fever, yeah

Who cares what they think?

Break those boundaries down

Don't have to fight it, no

Just following your heart's all we need from nowNo matter what they think, I'm all for you

When I'm by your side, just walk on through

I think that we should tell them (just tell them)

Oh, no

We don't give a

Yeah

No matter what they think, I'm all for you

When I'm by your side, just walk on through

Think that we should tell them (just tell them)

No, no, no, no, no, we don't give aWe don't give a damn what's on your mind, it's alright

You're not worth a minute of our time, it's alright

However we choose to live our lives, it's alright

I think that we should tell themNo matter what they think, I'm all for you

When I'm by your side, just walk on through

I think that we should tell them (just tell them)

Oh, no

We don't give a

Yeah, yeah

No matter what they think, I'm all for you

When I'm by your side, just walk on through  
I think that we should tell them (no, no) (just tell them  
We don't give a
