

I'll Be Waiting (NOW What's Next Bonus Track)

Michael Franti & Spearhead

The best things in life are things
To live in, to breathe in
The best things in life are things
That something you can believe in Well do you believe me?
Well do you believe me when I say
Tonight won't last for long?
And soon it will be gone But I won't leave you alone, no, no
Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you The best things in life are things
The laughing and crying
The best things in life are things
The frightened, they're still fighting Well do you believe me?
Well do you believe me, yeah,
When I say tonight won't last for long?
Soon it will be gone But I won't leave you alone, no, no
Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you You said that you were leaving
But it's alright, it's alright
You said you were sorry
But it's alright, yes, it's alright The best things in life are things
Broken and bleeding
The best things in life are things
They're chosen to believe in So whenever you call me,
Whenever you need me
Wherever you wander
Until you see me
I'll be waiting,
I'll be waiting
For you, for you,
For you, for you And I say, eeoh, eeoh, eeoh, eeoh
Eeoh, eeoh, eeoh, eeoh
Eeoh, eeoh, eeoh, eeoh, eeoh I say it's alright, it's alright
It's alright, it's gonna be alright now
