Sick And Tired

Terror

Everybody's in a bandâ€”you're not that fucking cool
Yeah, we're looking at youâ€"'cause you look like a fool
The shit you say, the way you act
You're really not that tough
Wait and see what happens when we've finally had enough of your gamesAll your lies
Enough's enough
So sick and tired
Your empty words
No more fake smiles
Enough's enough
So sick and tired
Sick and tiredFuck record sales and all that nonsense
You wanna be a rock star go do it someplace else
Senseless fucking violence, competition bullshit
You're killing something beautiful
When you gonna quit your games?All your lies
Enough's enough
So sick and tired
Your empty words
No more fake smiles
Enough's enough
So sick and tired
Sick and tired
Sick and tired
Sick and tired
Sick and tired
