## Clannad

At length did cross an albatross  
Through the fog it came  
As if it had been a Christian soul  
We hailed it in God's name  
It ate the food it ne'er had eat  
And 'round and 'round it flew  
The ice did split with a thunder fit  
The helmsman steered us through  
And a good south wind sprang up behind  
The albatross did follow  
And everyday for food or play  
Came to the mariners' hollow
