

# He Walks Alone

## Ayenn

### Verse 1

He Walks Alone on a road paved with sorrow  
wondering what would happen if he took his life

He Walks Alone  
like a motherless child  
He Walks Alone

### Bridge

All he wants to know is  
does anyone really care  
or should he abandon this world of despair  
He Walks Alone

### Chorus

He Walks Alone  
with no where to go  
no one sees him when he's crying  
even in his heart he walks alone  
with no where and no where to go  
He Walks Alone  
with no where to go  
no one sees him when he's crying  
even in his heart he walks alone  
with no where and no where to go

### Verse 2

In his world there's nothing to fight for  
the pain inside his soul runs as deep as the ocean

He Walks Alone  
like a fatherless child  
He Walks Alone

### Bridge

All he wants to know is  
does hope still exist  
or should he abandon  
this world he thought was his

He Walks Alone

Chorus

He Walks Alone  
with no where to go  
no one sees him when he's crying  
even in his heart he walks alone  
with no where and no where to go

He Walks Alone  
with no where to go  
no one sees him when he's crying  
even in his heart he walks alone  
with no where and no where to go
