

# Last Call Casualty

## Bowling for Soup

You, you called me out  
You said you're done with me  
But I can't seem to remember anything at 3 a.m.  
Am I that guy, the one that's happy hangin' with my friends  
And five drinks in I'm in love again? So if I get drunk and call you up  
Don't get pissed and don't hang up  
I know it's late but it's never too late to be  
Another last call casualty I can't remember what I said  
But I swear I meant no harm  
I tried to knock on your window  
But I set off your alarm  
And the days dragged on like a tail pipe band  
The nights they ain't so long  
And the taxi cab I'm riding in is blaring our favorite song again So if I get drunk and call you up  
Don't get pissed and don't hang up  
I know its late but its never too late to be  
Another last call casualty I'm sorry a guy picked up the phone  
My mind couldn't leave well enough alone  
And after the seventh time he hit star sixty nine  
He said if he finds me I'll be dead  
But I'm already in my head  
Since he's the one that's lying with you in your bed So if I get drunk and call you up  
Don't get pissed, don't hang up  
I know its late but its never too late to be  
Another last call casualty So if I get drunk and call you up  
Don't get pissed and don't hang up  
(Another last call casualty)  
I know its late but its never too late to be  
(Another last call casualty)  
(Another last call casualty) So if I get drunk and call you up  
Don't get pissed and don't hang up  
(Another last call casualty)  
So if I get drunk and call you up  
Don't get pissed and don't hang up  
(Another last call casualty)  
So if I get drunk and call you up  
Don't get pissed and don't hang up  
(Another last call casualty)  
So if I get drunk and call you up

Don't get pissed and don't hang up  
(Another last call casualty)  
So if I get drunk and call you up  
Don't get pissed and don't hang up  
(Another last call casualty)
