

Watch Out (Take 1: Incomplete)

Fleetwood Mac

Watch out Track 1 Watch out for me, woman
And don't mind nobody else
Watch out for me, woman
And don't mind nobody else
Ain't got no crystal ball
But the future ain't hard to tell I love the woman
I just can't stand to leave her be
I love the woman
I just can't stand to leave her be
Now we got to get married now
And might even raise a whole family And watch out for me, woman, and
And don't mind nobody else
Watch out for me, woman
And don't mind nobody else
Ain't got no crystal ball
But the future ain't hard to tell
