

# Let Me Just Follow Behind

**Bette Midler**

Oh, to have you walking so near  
You're an angel, my dear  
And you ease my mind  
I'll not kiss or hold you, my dear  
Would you let me just follow behind  
Now, I have loved me many fine men  
Oh, so many fine men  
Had a bed to share  
I would trade these lovers gladly, my friend  
For a glimpse of you standing there  
How will I know when I reach heaven's door?  
In your eyes, I've seen it before  
If I never, never, never, never see you again  
Though the path it may bend  
And be filled with strife  
Though the years may come and go without end  
I will think of you all of my life  
How will I know when I reach heaven's door?  
In your eyes, I've seen heaven before  
Oh, to have you walking so near  
You're an angel, my dear  
And you ease my mind  
I'll not kiss or hold you, my dear  
Would you let me just follow behind?  
Hmm, hmm, hmm, hmm  
Would you let me just follow behind?
