

# Hand On Your Heart

Kylie Minogue

Put your hand on your heart and tell me  
That we're through, ooh, ohh  
Ooh, ohh, put your hand on your heart  
Hand on your heart  
Well it's one thing to fall in love  
But another to make it last  
I thought that we were just beginning  
And now you say we're in the past  
Oh, look me in the eye  
And tell me we are really through  
You know it's one thing to say you love me  
But another to mean it from the heart  
And if you don't intend to see it through  
Why did we ever start?  
Oh, I wanna hear you tell me  
You don't want my love  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me  
That we're through, ooh, ohh  
Put your hand on your heart  
Hand on your heart  
They like to talk about forever  
But most people never get the chance  
Do you wanna lose our love together?  
Do you find a new romance?  
Oh, I wanna hear you tell me  
You don't want my love  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me  
That we're through, ooh, ohh  
  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me

That we're through, ooh, ohh  
Put your hand on your heart  
Hand on your heart  
Hand on your heart  
Hand on your heart  
Hand on your heart  
Hand on your heart  
Oh, look me in the eye  
And tell me we are really through  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me  
That we're through, ooh, ohh  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me  
That we're through, ooh, ohh  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me  
That we're through, ooh, ohh  
Put your hand on your heart and tell me  
It's all over  
I won't believe it till you  
Put your hand on your heart and tell me  
That we're through, ooh, ohh
